

Sinclair  
Broadcasting's  
decision to force  
their stations to  
air the  
swiftboat-like  
documentary days  
before the election  
must be examined.

Viewers should not  
be forced to try to  
interpret the  
validity of the  
news. This and the  
ads which are made  
to look like actual  
news reports are  
creating an air of  
mistrust towards the  
media. Perhaps I  
misunderstand the  
job of the fcc, but  
as an individual I  
have no power to  
force integrity upon  
the media. I  
believe that is your  
job.

If you find that  
this is a free  
speech issue, then I  
have no argument.  
But, if it is found  
to be propaganda,  
which I believe it  
is intended to be,  
then my public  
airways are being  
misused and you must  
stop it.

Thank-you
